

# Transform lives & streamline everyday processes

## Intuitive Case Management Software

**With a firm resolve to make a difference, PlanStreet a social, healthcare, and human services provider, has developed an innovative software that automates your routine manual tasks while giving you access to vital information.**

### **Save Valuable Time**

PlanStreet's cloud-based case management software automates tasks and streamlines processes so that your team can spend more time with the clients.

### **Make It 'Yours'**

Highly customizable user interfaces, custom reports, and a full-scale offering of services allow for PlanStreet to optimize any part of your organization when you need it.

### **Attract More Funding**

PlanStreet's robust case management software enables you to identify your strengths and weaknesses, gives you clarity of vision and thus better stakeholder engagement.

### **Manage Easily & Securely**

Our HIPAA and FedRAMP security standard compliances ensure that you work in a highly reliable and secure digital environment.

**Reshaping Case Management for Social, Human, and Patient Services.**

**Wouldn't it be nice to get all the details at once and upload it to the cloud? With PlanStreet, you can.**

Our centralization feature allows other team members to access the client files and see the case in real time. Everyone is always up to date, saving time and getting your client the support, they need, exactly when they need it. You can trust PlanStreet to help get things done with superior efficiency and security.

---

## A Broad Spectrum of Nonprofit Case Management Solutions

Regardless of the size of your nonprofit, our software has everything you need to manage and accelerate your performance.

### Reentry Program

Reentry programs exist to help clients prevent recidivism and become an integrated, productive member of society.

### Homeless Management

Our homeless management information systems (HMIS) is vital to the work that Continuums of Care (CoCs) do to address homelessness.

### Child & Family Care

PlanStreet facilitates agencies providing case management services for the Children's Home and Community Based Services (CHCBS), Medicaid Waiver and In-Home Support Services (IHSS) Benefits.

### Health & Patient

Health and patient service organizations utilize PlanStreet to provide invaluable help to families, children, the elderly, and many others as they navigate the complex world of health care.

### Donor Management

PlanStreet's donor management software is ideal for maintaining and growing your donor base by cultivating a donor relationship through a high degree of organization and the right tools.

### Affordable Housing

PlanStreet's HMIS helps case managers give personalized care to individuals and families in various categories of homelessness and low-income situations to organize the resources they require.

---

## Public Sector Organizations Partnering-up to create a brighter future

We are fully qualified to help public sector organizations streamline client intake and servicing and automate laborious paperwork. This can save your organization a great deal of valuable time. Secure and scalable, our case management

software can support your clients' needs and empower your agency. Optimizing your billing, scheduling, and reporting is one of the many reasons why PlanStreet is the right software for your organization.
